DEAD

Henry C Turnes

This popular and highly esteemed citizen passed away at his home at Hollywood Monday. He had been suffering from an incurable disease for many months, but was reconciled and patient to the end and was cheerful with his friends as long as he could talk with them. He was in the 78th year of his age; born and reared in the county in which he died. He was married in his early life to Miss Louise Rosser, of Prince Edward county, and as a result of this union nine children were reared to manhood and womanhood—Mesdames J. W Patteson, L. D. Puckett, W. S. Bryant, T. U. Conner, and Messrs. W. H. Turnes and O. R Turnes, of Appomattox, and W. L. Turnes, of Brookneal, and Mrs B. L. Jordan, of Charlotte, and Mrs. Peter J. Sheppard, of Buckingham county.

Some years ago the deceased and Mrs. Isabel Beasley were married and have lived at Hollywood ever since. Funeral services were conducted by Rev Gordon, in his church at Hollywood, and his remains were laid to rest in the family square at Hollywood. The deceased is survived by two brothers also—Messrs. A. E. Turnes and Thomas J. Turnes. These are sons of the late Aaron Turnes, whose sons served in the Confederate army, and have always been loyal citizens of Appomattox.

Thomas Wright

The deceased died suddenly on Monday, June 14th, of heart trouble, at his home on Grease creek, near Wade's Mill, Buckingham county, in the 63d year of his age. His remains were interred in family grave yard. The deceased was never married and lived to himself nearly all his life, and was highly esteemed by his neighbors.

Thelma Beatrice Clarke

Thelma Beatrice, the three-weeks-old daughter of Mr. and Mrs. E. G. Clarke, of Crewe, died at the home of Mrs. Mamie Dearing, Lynchburg, last Monday morning, after a brief illness of only a few hours.

The body was brought to Concord for burial Tuesday afternoon.

The flower girls were little Misses Lorraine Dawson, Beulah Mason, Evelyn Hughes, Marguerite and Rachel Akers, Virginia Holt and Isabelle Collins.

The pall-bearers were four little boys—Asbury Dearing, Dewey Ware, Duval Wright and Leonard Owens.

Funeral services were conducted by Rev. Mr. Marsh of Bethlehem M. E church, June 22, 1920.

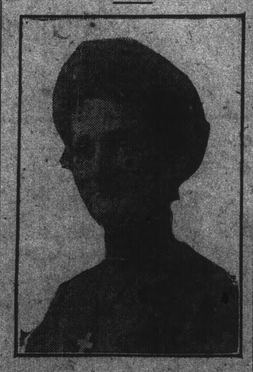
VIRGINIA "HELLO GIRL" DISTINGUISHED BY LENGTHY SERVICE



Miss M. J. Benson, Night Chief Operator At Alexandria Exchange.

Twenty years of continuous service as an operator and chief operator of the Chesapeake and Potomac Telephone Company is the distinction enjoyed by Miss M. J. Benson, of Alexandria, Virginia.

Miss Benson has been on night duty since she entered the telephone service, and for seven years she was the only night operator at the Alexandria exchange. In that time she has endeared herself to the telephone users of Alexandria through her courtesy and helpfulness. Possibly few in the town are better known than the pleasant-voiced little woman whose cheery answer has come over the wire during the still hours of the night for the past twenty years.

In these times of dissatisfaction and unrest, a record such as that made by Miss Benson is noteworthy. One of the difficulties encountered by the telephone company is the change in operating forces, necessitating the training of new operators.

When Miss Benson entered the Bell system in 1900, Alexandria had a three position switchboard, serving about two hundred subscribers and with three lines running to Washington. Today the exchange is a fifteen position board, with more than eighteen hundred subscribers and with twenty-six lines to Washington.

Health About Gone

Many thousands of women suffering from womanly trouble, have been benefited by the use of Cardui, the woman's tonic, according to letters we receive, similar to this one from Mrs. Z. V. Spell, of Hayne, N. C. "I could not stand on my feet, and just suffered terribly," she says. "As my suffering was so great, and he had tried other remedies, Dr. —— had us get Cardui. . . . I began improving, and it cured me. I know, and my doctor knows, what Cardui did for me, for my nerves and health were about gone."

TAKE CARDUI

The Woman's Tonic

She writes further: "I am in splendid health . . . can do my work. I feel I owe it to Cardui, for I was in dreadful condition." If you are nervous, run-down and weak, or suffer from headache, backache, etc., every month, try Cardui. Thousands of women praise this medicine for the good it has done them, and many physicians who have used Cardui successfully with their women patients, for years, endorse this medicine. Think what it means to be in splendid health, like Mrs. Spell. Give Cardui a trial.

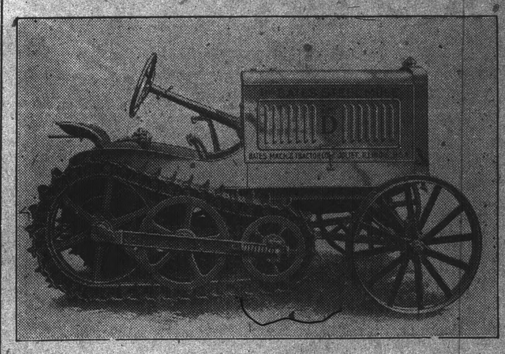
Every Inch of the Bates Steel Mule is Thoroughbred



The United States government by means of the Department of Agriculture, has been looking into the tractor question, and its bulletins clearly proves that the satisfied tractor owner—men who say that the tractor has paid—are men who own the BETTER CLASS of tractors. The successful man has learned years ago that he can't get something for nothing. No one can. The reason the BATES STEEL MULE costs more is that it is worth more. Skilled factory procedure, quantity production and the most modern Machinery enables us to save money at every turn, yet the BATES STEEL MULE cost slightly more in the beginning to build but considerably less in the long run to own. It's just another case where a seemingly higher priced article is ar cheapest to own when you come to actually USE it.

The Bates thoroughbred quality comes not from mere claims, but from what's put into it. Every part that goes to make up the BATES STEEL Mule is put there by long field experience. There is'nt a part that is'nt time-tried and tested. There is'nt a part that experience has'nt dictated the shape and size of; and in it all there is'nt one superfluous part, nor one part that isn't capable of standing up under twice the strain it gets in actual use. These are things experience and practice have distracted. The BATES comes to you as a fulfillment of your desire for a tractor that will endure. Price is what we pay for a thing. Value is what we get out of it. Consider your tractor from what you will get out of it, consider how many working days you have when the ground is wet, consider the operations where you can not afford to pack your seed bed, and consider how constantly and economically they must be performed even in rush times, you will then see why the BATES STEEL MULE is the biggest value offerd in any tractor on the American market today.
